Italy is one of those countries that capture the heart. It is those vibrant cities that have got everything for every age group. Gorgeous Italian lakes, coasts, landscapes, and then there's the nightlife, food & culture. The place truly enchants everyone. The country's famous tourist attractions are popular for good reason but the best-kept secrets in Italy – local restaurants, quiet regions, and bustling smaller cities. So, if you are booking [Italy travel packages](#) make sure to include these to get the real taste of Italy.

Italy is a must-visit country and is one of the most-traveled destinations in Europe. There are so many highlights to explore in Italy. From the canals of Venice to the Tuscan wine lands to the paved streets of Rome to the Arno river running through Florence and beyond. Florence has remained a favorite city because of its architecture and natural landscape beauty.

Rome is one of the most iconic where people interested in history are the most to visit the place. The place has some magnetic pull that people get lost and seems to never stop visiting ever. The most picturesque spots in Italy might just be Cinque Terre and all the stops along the Amalfi Coast. Positano is the jewel of the Amalfi Coast and it is the most picturesque and most romantic town in the whole of Italy.

The cheapest time of year to visit Italy is in the winter. If you are on a stringent budget, the best months to visit are from December to March, the cold weather keeps most travelers at bay, and you can explore the country's incredible museums and galleries to your heart's content. Explore the best [Italy travel packages](#) that include the majority of the place and along doesn't ask you to break your bank.
